~~ NOTES ~~

A ~ Only one of these will have been completed in the KCC program.

B ~ Total here assumes that UIU recommendations are followed at Kirkwood Community College.

A minimum of 120 semester credits is required for a Bachelor of Science Degree; with 65 credits transferred from KCC, another 4 will be required at UIU in addition to the above.

Also, another 3 credits of upper division courses are needed to meet the minimum graduation requirement. These could be completed with courses in the remaining general education areas and with the 15 additional credits needed for the degree.

Every effort has been made to ensure the accuracy and completeness of this program articulation.

The office of the Registrar of Upper Iowa University reserves the right to make corrections, additions, and deletions as necessary.
